**Pokai Bay Self-Help Housing  
Phase 1 Blessing**

June 26, 2019

The dream of home ownership is being realized here today. The blessing of Phase 1 of Pokai Bay Self-Help Housing in Waianae is proof positive that together we can do great things. On behalf of the State of Hawai'i, I extend a warm aloha to everyone, from our dedicated stakeholders to eager families and children.

The homes of Pokai Bay are especially meaningful with the pride of literally building your own home. From the ground up, our homeowners have invested time, effort and sweat equity for nearly two years. And with the collaboration of private and nonprofit sectors, we are increasing and preserving housing opportunities for more people in Hawai'i.

Mahalo nui loa to all who have worked so hard to make this affordable housing community a huge success. Congratulations to all our new homeowners who now call Pokai Bay home, and may your 'ohana build many memories together.

With warmest regards,
